Local toll-free Dial-Up Access is available throughout California.

This system is a full Internet hookup via PPP.

The setup fee does not include actual on-site installation of connectivity software or application software on the subscriber's computer, although MCN does provide some Internet software.

One hour of free Technical Support is available for trouble-shooting.

After successful installation and connectivity, MCN charges \$1.00/minute (\$60/hour) for Technical Support.

Click on this link: [Tech Support](#) to see a list of local technicians available for computer

support and set up assistance. Their prices range from \$50.00 to \$80.00 per hour.
